**Subject:** Golf course management

Mayor, Please provide a copy of the RFP for golf course management/ privatization to all Council members. We will need it for the discussion of concerning golf course expense cuts. I am told by a reliable source that the successful bidder could not raise rates , could not terminate employees, the City would pay them \$100,000 a year, and the City would be on the hook for any operating losses(or gains). If that is true, I trust those provisions are in the RFP. If those or any such provisions are in some document other than the RFP, provide copies of those documents also.

Thanks, Earl
